021/25/2024: Spatulas

Yesterday I went to the store and got some much-needed spatulas! (What better way to say I love myself than to buy myself a spatula?) Should I grab a bottle or wine or 6 pack of beer hummmm maybe even some IPA. What are you thinking !? Bruh hey Bruh are you going to decide or what.?

02/10/2020: Cookie Monster Cupcakes

My favourite cartoon character is Cookie Monster, and my favourite dessert is cupcakes, so Cookie Monster cupcakes are the best of both worlds.

Did you know? Cookie Monster once said, "Sometimes me think what is love, and then me think love is what last cookie is for. Me give up the last cookie for you." I wonder if the same applies for cupcakes? (If so, I don't think I can ever love ANYONE!)
